## Become a **Batseta Member**

**Are you ready to advance your career as a retirement fund professional? Join your peers and other industry fiduciaries in accessing a wide range of benefits offered by Batseta.**

### **Why Join Us?**

We help you to become a designated industry professional where your role is overall recognised as a benchmark of excellence.

Becoming a professional person is not the exclusive right of a certain class of persons who have obtained degrees or other tertiary qualifications.

Through education and training (both once-off and continuing) all principal officers and trustees should find a route to professional registration.

### **Who can Join Us?**

Trustees, Principal Officers and Employees of a fund

### **Our Pool of Benefit**

- **Industry leadership** - We proactively engage with government and regulators
- **Professional Accredited programs** - We award eligible fund fiduciaries with Chartered and Licentiate professional designations
- **Networking Opportunities** - Access a platform to network with your industry peers and experts
- **Discounted Rates** - Qualify for discounted rates when you register for our events...**And much more**
